

IT PARK
SCHOOL

USA education and culture is becoming very popular, however your short trips to USA do not give your kid the realistic picture of authentic American life.

START UP RIGHT

A photograph of two young men, one slightly behind the other, looking intently at a laptop screen. The image is partially covered by a green and white chevron graphic at the bottom.

With the help of our program “-----” your teenager would have unique experience to explore new culture on his/her own and test and excel in his English skills. American education would help him to sharpen his critical thinking and problem-solving skills. Placement in real American family would ensure your teenager is in the family, which would take care of his wellbeing.

PROGRAM OFFERS:

- Visa issues
- All the travel and accommodation arrangements
- Placement in American family in USA
- Medical insurance

Year, which will help your kid get unique experience in the USA, studying and socializing with his peers, but yet surrounded by family which shares his values and culture.
